**A TOY CAN HELP YOU LEARN TO DANCE
Westwood Fred Astaire Dance Studio teams with Toys for Tots**

This Holiday Season, a toy could help you learn to Tango -- or Fox-Trot, or Mambo!

The Fred Astaire Dance Studio in Westwood has joined with the US Marines' TOYS FOR TOTS drive to help make the holidays a little brighter for children. Through December 17, 2007, drop off a new, unwrapped toy at the dance studio and receive a gift certificate for a Free Beginner Dance Lesson.

"It's a great opportunity for people to help the Toys for Tots drive, and have some fun learning to dance along the way," said Renata Kucieba, of the **Fred Astaire Dance Studio located at 41 Bergenline Avenue in Westwood.** "Obviously, with the incredible success of Dancing With the Stars, people are learning to dance like never before. Now, first-timers can learn what it's all about -- or present the gift certificate to a friend as a holiday gift."
